

MERYEM LACHGAR

Analytics Engineer • Data Analyst

Paris, France • +33 7 64 02 76 64 • meryemlachgar2001@gmail.com

linkedin.com/in/meryem-lachgar • meryem21-sys.github.io/portfolio • Nationwide mobility (France)

4 years of experience in data operations (BI, ETL, DataOps) — RATP & Crédit Agricole • Power BI, SQL, Python

PROFESSIONAL EXPERIENCE

Data Analyst

Sep 2022 – Sep 2025

RATP — Strategy, Finance & Performance Division (CSP LOG)

Paris • Apprenticeship

- Operational maintenance of multi-dashboard Power BI application (DAX, Power Query), anomaly resolution — 20 KPIs covering €100M in logistics inventory, presented to the Executive Committee
- Multi-source Talend ETL pipelines (Oracle • CSV) — 60% reduction in processing time, zero manual errors; job orchestration & scheduling (4:00–6:30 AM), flow monitoring, incident recovery
- Built supplier-performance dashboards and cable-delivery tracking • Consolidated monthly reports for the logistics division
- Data governance: business rules, data dictionary, cross-functional KPI definitions (HR, inventory, costs) • Ad hoc SQL/Python analyses • VBA reporting improvements

Data Developer

Apr 2021 – Sep 2022

Crédit Agricole Consumer Finance (CACF) — Sales Activity Monitoring

Roubaix • Apprenticeship

- QlikView flow-monitoring application (5 tabs, 24 tables): IS & datamart tracking, control of 31 overnight SAS batch jobs, missing-data alerts — monthly production releases with UAT and sign-off reports
- Operational monitoring: daily batch jobs checked, proactive alerts, failed job restarts — production DataOps practices
- Backup & service continuity: paired run/build organization, handover procedure documentation
- Day-over-day (D/D-1) SQL reconciliations on sales indicators • Reporting automation (SAS EG macro, VBA) — saving 4 hours/week

EDUCATION

Master's (M2) MIAGE — Business Intelligence (Apprenticeship)

Paris-Saclay University • 2023 – 2025

Thesis: Data Governance & Analysis for Inventory Performance — RATP

Bachelor's (L3) MIAGE (Apprenticeship)

Paris-Saclay University • 2021 – 2023

University Diploma (DUT) STID — Statistics & Business Computing (Internship)

University of Lille, IUT C • 2019 – 2021

TECHNICAL SKILLS

BI & Reporting: Power BI • DAX • QlikView • Qlik Sense • Tableau • Advanced Excel

Languages & Databases: SQL • PL/SQL • Python (pandas, scikit-learn) • Java • SAS • R • VBA • XML • HTML/CSS/PHP • Oracle • PostgreSQL

ETL & Orchestration: Talend • Power Query • Job scheduling • Batch monitoring • Incident recovery • DataOps

Cloud & Data Eng.: Azure (Data Lake • Databricks • PySpark) • GCP • BigQuery • Spark • Kafka • Apache Nifi • Hadoop • Docker • Power Automate • GitLab CI/CD

Data & AI: Collibra • Data Quality • Machine Learning • dbt • Predictive modeling (PCA, MCA, regression) • Generative AI

CERTIFICATIONS

dbt Fundamentals — dbt Labs • 2026

Google AI Essentials — Google Career Certificates • 2026

Power BI — Certified Training — ORSYS, La Défense • 2024

LANGUAGES

French — Bilingual • Arabic — Native • English — Fluent (B2) • Spanish — Basic

SOFT SKILLS

Decision-driven analysis • Data rigor & quality • Business/IT communication • Autonomous project management • Service continuity • Proactive • Reliable

INTERESTS

Basketball • Tennis • Data & AI trends
